The Select Series is our newest premium line of carts and accessories. Select Series Carts have dual pull out side shelves with ball bearing slides. Corner extrusions made of strong extruded aluminum and accessory mounting panels eliminate the need for holes in the sides and back of these carts. Other features include deluxe drawer pulls, each with a convenient area for a label and a large area at the top front for identifying the cart. Select Series Carts are available in Steel or E-Z Push Aluminum.
